Sponsorship Opportunities

Friends of Browns Canyon (FOBC) is a nonprofit 501(c)(3) organization dedicated to protecting, conserving, and enhancing Browns Canyon National Monument and the surrounding area. In its more than 20 years of operation, FOBC has served its members, the local community, and visitors by providing opportunities to engage the public in conservation efforts benefitting the diverse natural features and ecosystems of Browns Canyon. We work collaboratively with the U.S. Forest Service and the Bureau of Land Management by volunteering to monitor the National Monument and by hosting the official website of the Monument.

Our activities include hikes, work projects, and presentations that inform and educate the public and allow the public to serve as stewards of the Monument. These activities have recently included night sky data collection by volunteers and public night sky viewings in support of an application to DarkSky International to obtain Dark Sky Park certification for Browns Canyon National Monument. We achieved that certification in December 2024, which means that FOBC now has a responsibility in perpetuity to continue monitoring the night sky and provide public astronomy programs.

Join FOBC in protecting the treasure that is Browns Canyon National Monument by becoming a sponsor. Sponsorship is available at four levels:

Zoom Flume	\$250 to 499
Ruby Mountain	\$500 to 999
Perseids	\$1000 to 2499
Milky Way	\$2500+

In exchange for sponsorship, we will place your business logo on the home page of FOBC's website (browncanyon.org) and link it to your business website. You will also receive priority access to any FOBC events such as stargazing, hikes and fundraisers, along with public acknowledgement of your sponsorship.

Payment can be made to: FOBC, PO Box 343, Salida CO 81201 or use [Donate button at browncanyon.org](#)
